

Agrostis Canadensis, Easton Pa.

Tricuspis purpurea, Gray, Presque Isle, Erie Pa.

Glyceria obtusa, Muhl., Pocono Mts Pa.

Equisetum variegatum, Sch., Presque Isle, Erie Pa.

Boraginaceae lanceolatum, Angl., Pleasant Mount, Wayne Co., Pa.

" *Matricariaefolium* A. Braun " " "

" " var. *subinilegrum*, Muhl. " " "

which is wood *B. neglectum*,

Salvia selaria - escaped from cult.

Warrior's Ridge Huntingdon Co., Pa.

It is rapidly spreading on the side of the ridge -

This I believe is in no American botany but surely deserves notice,

Yours Very truly
A. P. Garber.

213 North 17th St. Phila.

Jan. 4. 1870.

Dr. Asa Gray,

My dear Sir,

During the last two years I have paid special attention to the Pennsylvania flora - enjoyed good advantages - time and facilities for reaching many points - in our state. During these two seasons made discoveries which were interesting to me. A brief enumeration of a few of the more interesting plants - might be pleasant to you. I thought therefore proper to assume the privilege in addressing you. Found growing - *Delphinium exaltatum*, Ait., Warrior's Ridge, Huntingdon Co., Pa. *Hypericum mutilum* L. var. *gymnanthum*, Gr., Presque Isle, Erie Pa. *Linum sulcatum*, Riddell abundant on Presque Isle, Erie Pa. *Vitis riparia*, Michx. " " " " *Rumex crispus* L., on head of nearly all the islands in the Allegheny R. above Pittsburg. also natural in Delaware R. at Easton - In these places named found it - trailing along the ground and taking exclusive position of it over acres. Again found what I take

for *P. pumila* on Presque Isle and in Warren
Co. N. J. where it is perfectly erect making
a shrub of 4-6 feet in height.

Potentilla paradoxa, Nutt. Presque Isle, Erie Pa.

" *Aeneina*, L. abundant. " " "

Hemerocallis pubescens, Pursh abundant on rocky banks of
the Susquehanna near Sunbury Pa. always
find this plant growing on rocky cliffs and
not in woodlands like *H. Americana*, L.

Mitella nuda, L. Pike Co., Pa.

Luzula borealis, Gronov. Tuscarora Co., Pa.

Lonicera hispidula, Eaton; Monroe Co., Pa., Erie Co., Pa.

Galium mollis, L. Bear Block House, Tuscarora Co., Pa.

Silphium trifoliatum, L. sparingly on islands of

Susquehanna R. in Lancaster Co., and abundant
in Clarion Co., Pa. also met in Westmoreland
Co., Pa.

Coreopsis trichosperma, Michx. abundant in meadows
at Wampum, Mercer Co., Pa.

Bidens Beckii, Torr. Ponds on Presque Isle, Erie Pa.

Tabalus crepidineus, DC. Middlesex, Mercer Co., Pa.

Arctostaphylos uva-ursi, Spang. covers acres of ground
on Presque Isle, Pa.

Ilex mollis, Gray *Canadensis*, Monroe Co., Pa.

Pentstemon digitalis, Nutt. Near Pittsburg, Allegheny Co., Pa.
also at - Brownsville, Fayette Co., Pa.

Frasera Carolinensis, Walt. abundant at East Sandy, Venango Co., Pa.
